

Outdoor IP67/IK10 Gigabit 95W PoE Injector / PoE Switch for Avigilon PTZ/IR PTZ/Multisensor Cameras

Features

- ▶ Suits pendant wall mount hole of Avigilon PTZ, IR PTZ, and Multi-sensor cameras
- ▶ Casting aluminum enclosure rated IP67 and IK10 impact
- ▶ Field test working with Avigilon bt PoE Camera
- ▶ Operating temperature between -40°C and 65°C

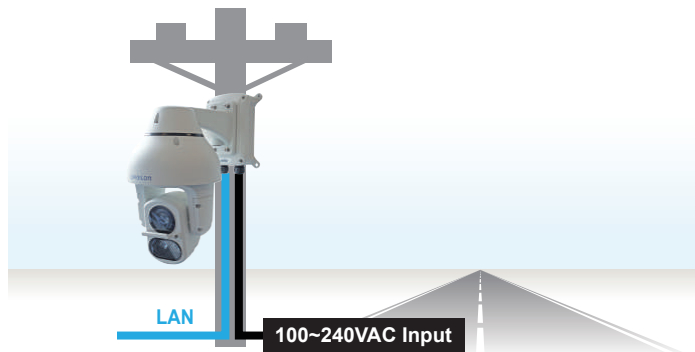

I46-201-A PoE Injector Application

AETEK I46-201-A with Avigilon H4 Multisensor :

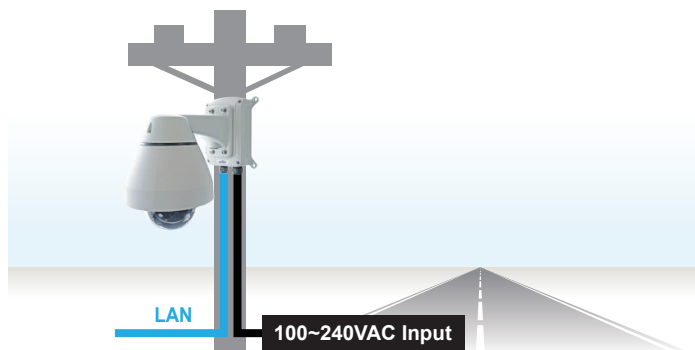

I49-201-A PoE Injector Application

AETEK I49-201-A with Avigilon H4 IR PTZ :

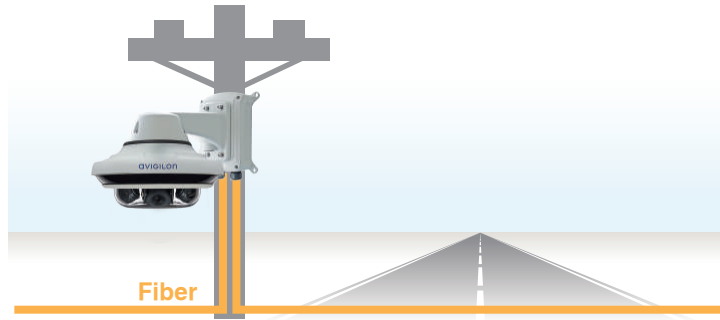

I49-201-A PoE Injector Application

AETEK I49-201-A with Avigilon H5A PTZ :

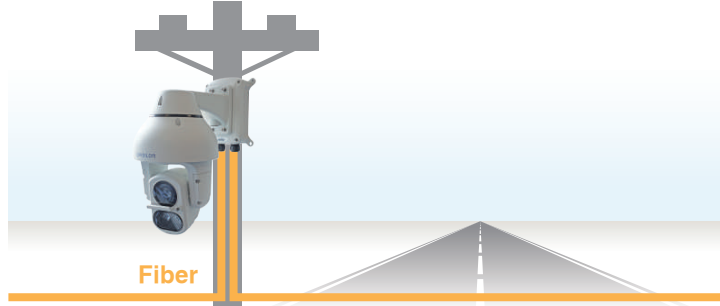

H40-022-90-120-A PoE Switch Application

AETEK H40-022-90-120-A with Avigilon H4 Multisensor :

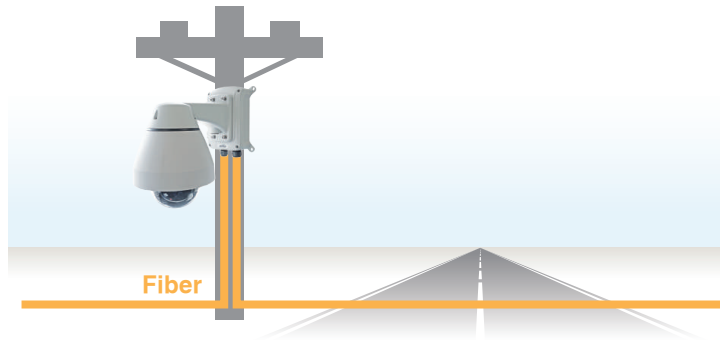

H40-022-90-120-A PoE Switch Application

AETEK H40-022-90-120-A with Avigilon H4 IR PTZ :

H40-022-90-120-A PoE Switch Application

AETEK H40-022-90-120-A with Avigilon H5A PTZ :

Ordering information

PoE Injector

146-201-A

- Outdoor IP67, IK10, -40°C ~ 65°C
- Provides 60W PoH PoE over 4-pairs UTP/STP
- 12KV PoE surge protection
- Supports 10/100/1000Mbps data rates

149-201-A

- Outdoor IP67, IK10, -40°C ~ 65°C
- Provides 95W PoH PoE over 4-pairs UTP/STP
- 12KV PoE surge protection
- Supports 10/100/1000Mbps data rates

PoE Switch

H40-022-90-120-A

- Outdoor IP67, IK10, -40°C~ 65°C
- 2-port GbE 95W PoH PoE + 2-port GbE SFP
- 12KV PoE surge protection
